## Watergrasshill National School Parents Association

The Watergrasshill National School Parents Association have created this newsletter to keep you informed on upcoming events. Hopefully students and parents will enjoy these planned events!

We need support from all parents at these events to help raise funds for the school.

Our AGM was held on the 27<sup>th</sup> September in the school and we would like to thank those that attended.

The existing committee will remain, with a slight reshuffle in positions held.

All parents are welcome to attend our meetings, if the time and dates don't suit, but you would still like to volunteer at an event or have suggestions please contact a committee member or email us at

### Why Fundraising?

Last year the school introduced interactive whiteboards to some of the classrooms. These SMART boards are providing the children with a 21<sup>st</sup> century interactive learning experience. The school would like a further 4 Interactive smart boards to be purchased at a cost of €3,300 each. The goal of the parents Association is to help to raise the funds to facilitate this purchase.

*We would like to thank all those who supported our fundraising events during the previous school year. Your continued support is greatly appreciated and needed, we look forward to seeing you at these upcoming events.*
